**Motivated life-long learners
Creative critical thinkers
Effective communicators
Collaborative problem solvers
Responsible and culturally aware citizens**

VALUES & BELIEFS

**Accountability
Diversity
Excellence
Health and Well-Being
Honesty
Individual Growth
Integrity
Open Communication
Respect
Safety
Teamwork
Trust**

GOALS

DGS students will read and comprehend complex literary and informational texts independently and proficiently (CCRA.R.10) to develop a Culture of Readers as evidenced by:

- The school community attaining a median student growth percentile measure of 66 SGP or higher on STAR reading or Early Literacy assessments.
- Increasing the percentage of students meeting or exceeding standards on the PARCC exam as indicated on the Balanced Scorecard
- Dunlap Grade School earning Accelerated Reader Empowered Educator Status

DGS will foster an environment of mathematical thinkers and problem solvers as evidenced by:

- The school community attaining a median student growth percentile measure of 66 SGP or higher on STAR math assessments.
- Increasing the percentage of students meeting or exceeding standards on the PARCC exam as indicated on the Balanced Scorecard

DGS will provide a challenging and positive learning environment by increasing teacher knowledge of blended learning resources as evidenced by:

- Staff will participate in Canvas Learning Management System training opportunities
